TO WHOMSOEVER IT MAY CONCERN

This is to certify that Miss Ankita Priyadarshini Pallai, a student of 06th Semester, B. Tech in Computer Science & Engineering of Sambalpur University Institute of Information Technology, Burla has successfully completed her vocational Training from 18th May 2026 to 17th June 2026 on "*Passive Target Generation Using Bearing Only Measurement*" in our division. During her internship, she worked technically demanding problems involving Bearing Only Measurement (BOM), Triangulation-based target localization, sensor-data processing, spatial clustering and real-time visualization. She demonstrated strong algorithmic thinking, mathematical reasoning, programming ability and an impressive capacity to translate theoretical concepts into practical engineering solutions. She bears a good moral character. I wish her good luck for her bright future.
